

What are current successes and challenges you experience when engaging in professional learning opportunities?

Successes	Challenges

What are professional learning topics or needs aligned to your individual (what I need as an individual educator), school (what we need as a school community), or district (what we see as a need across our organization) needs/goals:

Build two different professional learning structures that could be utilized to create flexible, accessible, and choice-driven professional learning for your community.

MODEL 1

MODEL 2

Learning Options

- Podcast
- Blog
- Vlog
- Discussion stems
- Discussion board
- Social media spaces
- Reading selection
- _____
- _____
- _____

As you select learning options, think about your rationale. Ponder the Who, What, When, and/or Why of each one you placed in your structures.
