2018 Learning Forward Conference  
#LearnFwd18

## **Rachel Gorton**

Coordinator of Instructional Technology, MN

## **Gina Hartman**

Learning and Innovation Manager, MO  
Graduate Instructor, Lindenwood University

## **Kellie Ady**

Director of Instructional Strategy, CO

# Session Outcomes

## Participants will....

- Explore a cohort model of professional learning designed to support educators as they transition to a technology-rich environment.
- Discuss and share ideas around approaching change and measuring impact.
- Come away with a framework to create a “mirrored plan” that you can be used in your district or schools to transform to a blended learning environment.

- Session Resources (Schoology Course)
- Virtual Parking Lot
- Handout (Digital or Printed)
