

Using Data for Greater Daily Impact

Reflection Guide

Presenters: Sara Croll (scroll@learningsciences.com) & Sarah Dougherty (sarah.dougherty@dmschools.org)

Big or innovative ideas I heard in this session

Practical strategies, tips, and tools I can use

Inputs

- With whom would you like to connect to expand your knowledge on this topic?
- What resources did you learn about that you can use in your classroom, school, or district?

Actions

- What are ideas and strategies you want to explore?
- What are your next steps?
