

**Purposeful Leadership on the Journey to  
Implementing Professional Learning Communities that Work**

**Expected Outcomes:**

- Participants will learn with and from each other to implement actionable next steps in their work in implementing professional learning communities
- Participants will identify specific supports needed from administrators, facilitators and teachers to sustain systemic implementation
- Participants will share experience and action steps for continued advancement of their work within their spheres of influence

**AGENDA**

- Our Journey (so far)
  - Starting off on shaky ground
  - Gaining traction
  - Solid footing
- What Matters in Leading PLCs
  - Be purposeful
  - Be present
  - Be positive
- Next Step Actions
