

Drilling Down: The Impact of Professional Learning

Ames Community School District

December 9, 2019

Session Outcomes:

Participants will:

- 1) Identify commonalities between different Change Theories*
- 2) Examine key practices and sample tools for measuring and reporting the impact of professional learning*
- 3) Reflect on how to apply the learning to their context*

My Goal(s) for today:

Individual & Organizational Change Models

L to J

Data Analysis Protocol

Feedback to Teachers

Drilling Down: The Impact of Professional Learning

Ames Community School District

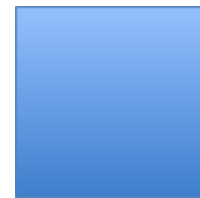

December 9, 2019

Implementation Plan & Data

Summary of today's learning:

Four things that “squared” with me:

- 1)
- 2)
- 3)
- 4)

Three things that I will “try-angle”:

- 1)
- 2)
- 3)

Question(s) that is/are still “circling” around in my head:
