Setting Goals for Your Math Classroom

POSITIVE MATH TEACHING AND LEARNING PRACTICES I SEE IN MY CLASSROOM

What teacher and student practices from the IPI are already present?

MATH PRACTICES I WANT TO STRENGTHEN IN MY CLASSROOM

What teacher and student practices from the IPI do you want to see occurring more often?

SPECIFIC ACTIONS I CAN TAKE TO FOSTER THE NEW PRACTICES

What instructional strategy will you try to support the desired practice?

WAYS I WILL MEASURE PROGRESS

How will you measure the impact on student learning?
