

## Social Identity Matrix

**Directions:** There are several categories in the far left "Identity" column. In each box, write how you identify according to that category (wherever you are comfortable identifying). Then, take time to respond to the corresponding questions for each element of your identity.

<b>Identity</b> How do you identify yourself?	How important is this identity to you? (1-10, 10 is highly important)	How obvious is this identity to someone who only sees you or does not know you well? (1-10, 10 is highly obvious)	How highly regarded is this identity by society as a whole? (1-10, 10 is highly regarded)	In what ways does this identity give you power and privilege in society/your school community?	In what ways does this identity have an effect on your decision making both inside and outside of the profession?
