

Serrano Middle School Transformation

2010 – Named a Persistently Low Achieving School

2015 – Named a California Gold Ribbon and Title 1 Academic Achievement School

2016 and 2019 – Named a National School to Watch

Using data-driven and research-based collaborative decision-making in data teams has been critical to the turnaround at the site.

Staff are aligned with shared core values with the goal of ALL students succeeding and reaching grade level mastery of standards.
